## School Messaging System Consent Form

Dear Parents & Staff,

Church of the Holy Spirit MDO utilizes an automated parent notification system to quickly and efficiently notify parents of important school information/events and emergencies. Emergencies are defined as; weather closures/delays, health risks, fire, threats, and other situations affecting the health or safety of students and faculty. Whether or not consent is on file, you can have peace of mind knowing that you will still be informed of an emergency at school, immediately by phone. The FCC requires a consent form to be on file. Please make sure these numbers are updated with the MDO office and have a valid voice mailbox set up.

**Please complete one form for EACH student to receive calls and/or text.**

### **Instructions: Please sign for Consent or Do Not Consent**

\_\_\_\_\_ **I CONSENT** to both Emergency & Informational calls

\_\_\_\_\_ **I DO NOT CONSENT** to Informational calls. I understand that emergency notifications are excluded from this permission and will be sent as normal.
