

**CHURCH OF THE HOLY SPIRIT  
MOTHERS' DAY OUT**

Dear Parents:

I am delighted to share with you that this school year our class will be using Seesaw (<http://seesaw.me>), a secure online journal where your child's teacher can document and reflect on what they are learning in class and add the things we work on (including photos, videos, worksheets, drawings and calendars) to our Seesaw journal. We can share them privately with you to view and comment on throughout the school year. This is a great app to add to your phone and to get daily insight to our classroom activity.

Seesaw only uses this information to provide a service for parents. It does not advertise in Seesaw, or share or sell your child's personal information or journal content. This app is strictly for parents. Your email will not be used for any other purpose except to receive updates of your child's activity at MDO.

If you are interested in following us through Seesaw, please sign the consent saying you agree for the teacher to upload photos of your child's activities to the Seesaw app. Please provide a working email so that you may receive an invitation to our Seesaw account.

Again, we are very excited about using Seesaw to document and share their learning with you this year. Please sign below and return this permission slip so that your child can be photographed and used on Seesaw.
